

A Multifaceted Bath Design

The new Swarovski® Strass® Crystal
Cabinetry Knobs from California Faucets
coordinate the bath in sparkling fashion

(Huntington Beach, CA, January 7, 2008) Decorative cabinetry knobs with clear or sapphire blue crystal center inserts are the latest addition to the Cal Trim line of trim and accessories from California Faucets. Made of the finest Swarovski® Strass® crystal, the decorative hardware adds a touch of class and ties in beautifully with the customized faucet designs California Faucets is known for. The crystal knobs are a radiant option from the new collection of hardware that bolsters California Faucets' full line of faucets and tub and shower fittings.

The exciting new collection of decorative hardware from California Faucets includes Swarovski® Strass® crystal centers in clear and sapphire blue

Like all California Faucets products, the Swarovski® Strass® crystal knobs are available in over 30 decorative finishes. Coordinating designs with the crystal knobs is as easy as perfectly matching up the finishes with other California Faucets fittings or mixing it up for a more eclectic look. The SAN CLEMENTE series is an example of a perfect match-up with its choice of clear or sapphire blue Swarovski® Strass® crystal index button options.

Crystal shimmer can be the theme throughout the bath. Swarovski® Strass® crystal handle upgrades are available for other California Faucets series. Add extra flair and sophistication with crystal lever handles, ball handles, and with crystal index buttons for handles, including cross handles and even drain lift knobs. With California Faucets providing all the necessary trim and accessories, the focus is solely on the task of coordinating the design that suits your taste best.

The single-source convenience of creating perfectly coordinating bath designs can include matching Swarovski® Strass® crystal options for faucets and accessories from soap dish to toothbrush holder. Also available and new to the Cal Trim line are knobs with optional metal index buttons in the 30-plus finishes that can match or mix to create a two-tone look. Porcelain index buttons and decorative pulls for the cabinet are available as well. Swarovski® Strass® crystal knobs by California Faucets list from \$9 to \$18.

About California Faucets

California Faucets believes in old-fashion customer service. From the warm greeting of the live receptionist to the speedy delivery of build-to-order product, customer service will always mean personal attention at California Faucets. In an industry where build-to-order products often means wait-to-receive, California Faucets is able to fill orders for unique, handcrafted fittings faster than many companies can deliver their mass-produced product.

With over 25 styles and more than 30 decorative finishes, California Faucets' Custom Faucetry™ allows you to combine any spout with any handle in any finish to create a design uniquely yours. Design choices now exceed two million, and offerings range from traditional and transitional to contemporary and art deco.

As part of Custom Faucetry™, California Faucets also offers Thermostatic Shower Systems, Tub and Shower Sets, Trim, and Bathroom Accessories. California Faucets' products are sold at prominent decorative hardware and plumbing showrooms and at select kitchen and bath dealers nationwide.
